Mark,
Please see the attached which was forwarded to R6 at their request yesterday. Shawn Ryan is presently on leave but will be happy to discuss this with you. Please feel free to contact him via email (and cc me) or call him on his cell phone: 513-484-3259.
Regards,
Cindy

Steve, Sam and Al,
Please see the attached summary of the available literature on in situ burning and dioxin formation.
If you have any questions please do not hesitate to contact either me or Shawn Ryan directly.

Regards,
Cindy

Hi Cindy,
I think you guys have this info and if I remember correctly it was Shawn who worked the lit search angle. Can you coordinate with Steve, Sam, and Al?

thanks,
Erica

Subject: RE: Air Monitoring / Sampling Call

Al, Steve – at the phone call yesterday EPA indicated that a review of the science literature had left some open questions.

BP would appreciate receiving today the key references used in reaching that conclusion.

Regards

Pete Carragher
